✓ MASTER ELECTRICIANS

Career opportunity – Appliance Technician

About us

ElectraServe is a 100% locally owned and operated company that has provided electrical services for over 50 years. We have the districts biggest fleet of Electricians servicing all of Mid Canterbury and surrounding areas.

We employ 36 staff, including 2 appliance technicians and 2 refrigeration technicians and we are looking for another appliance technician to join our team.

About the role

Based in Ashburton this is a full time, permanent role best suited to an electrician or person holding a current EST licence. You will have sound whiteware appliance know-how with demonstrated previous experience working on all brands of appliances.

The work will cover new installations, diagnosing, technical repairs and maintenance of appliances and whiteware.

Required skills & experience

- Strong time & task management skills
- Excellent communication and customer skills
- Tech savvy
- Holds a current EST Licence or similar
- A refrigeration ticket is an advantage, but not essential
- Ideally based in Mid Canterbury but able to service Mid & South Canterbury and McKenzie District.

Remuneration

- Up to \$100K per annum depending on skillset and experience
- Uniform
- Van (work use only)
- iPhone

Join us

ElectraServe has a strong focus on people, we are a family-first company, happy, safe and successful staff are our priority! If you would like to pursue the opportunity presented, please submit your CV and Covering Letter in confidence to us.
